BY S. V. LEECH Twas a dark gloomy morning, when homeward

returning, The Arctic was gallantly ploughing the sea; And the hears of her inmates within them were burning With joy, as they thought of the friends they'd soon see.

But, alas! how many fond hopes were then blighted. How many glad hearts in an hour were pained; How many, who hoped that with friends soon united. A life of enjoyment at home they should spend.

How many who trusted that soon with the loved They left in their home, they should mingle again; And with their own kindred, within their own coun-

Their lives crowned with honor and peace they should end.

But, alas! in a moment, all, all, is commotion, And hopes are as dark as the curtain of night. The vessel is struck while her course she was steer-

The lifeboats are leaving her filled with the seamen Whom fear has made gowards, and hope has And in the excitement the vessel is steaming Away from the spot where some true hearts went

The proud ship is plunging, 'tis vain to assist her, She sinks, and the shrieks of the dving ascend. And the waters roll over the spot, where the Vesta And Arctic, in fiercest collision did blend.

No more shall her prou i form be seen on the waters No more shall her stars and her stripes proudly But Columbia's true-hearted sons and fair daughters, Who shared her sad fate have a watery grave.

VINCENNES, INDIANA, Oct. 3, 1864. J. L. Kidwell-Dear Sir: Some three months ago. through the agency of Col Smith Miller, our repre sentation in Congress, I had purchased of you, for the use of my father in Scotland, one dozen Bottles of Beech Drop or Cancer Preparation. I have a letter from my brother, stating that the physician desires you to forward another dozen bottles. He thinks under its use the di case is arrested. CALLAWAY COUNTY, MISSOURI, July 13th, 1854 }
Dear Sir—With great pleasure I inform that your preparation of Beech Drop has accomplished for me what I thought beyond the reach of human agency For the last twelve years I have been afflicted with Scrofula of a Cancerous form. So extensive was the ulcers and so horrible my appearance that my case became notorious with all the Faculty in this and the adjoining counties—in fact I had obtained the best medical aid in our State, without any abatement of the disease. Through a friend I procured a half dozen bottles of your Beech Drep, after using it, so perfect was the cure, that hundreds visited me. My desire is to benefit my fellow man; with that purpose I beg all afflicted with Scrofula in any form to use it. Enclosed you will find an order from some friends

for the preparation. Very truly,

TYLER'S COMPOUND GUM ARABIC SYRUP. THE increasing demand for this most pleasent, safe, and efficatious remedy for all pulmonary diseases, has enabled the proprietor to reduce the price so as to place it within the reach of all classes. Its superiority over most similar preparations is attested by many eminent physicians who have been eye witnesses of its efficacy when the usual reme-dies have failed; also by thousand of our most re-spectable citizens who have used it in their families both as preventive and cure with never failing success for the last twenty years, during which period with very little aid from advertising. &c , it has gradually spread reputation over the whole Union. In cases of recent Colds Coughs, Hoarseness, &c., it gives immediate relief, and generally cures in a day or two, without interfering with diet or business, or readering the system more susceptible of Colds, in chronic cases, Asthma, Whooping Cough, Croup, Bronchitis, Affections of the Lungs, and Consumption, it is always very b neficial and seldom fails,
